Director's Meeting

Thursday, 26 July 1951

HR70-14

Mr. Jackson reported that Mr. Davison had talked to [] and stated that we might possibly be able to use him. The DCI feels that [] might be very useful in planning one or two operations we have in mind. Mr. Wisner will follow this.

The DCI said that [] cannot go to Indo-China on account of health. However, we might use him in some other job, and Mr. Wisner should talk to him.

Mr. Jackson reported that he had talked to [] who will come down in September to look over our legal setup. Mr. Jackson also mentioned that Loyalty Board procedures are very bad and that [] should also review them.

Mr. Jackson stated that he finds OSO Planning, stay behind nets, etc. on assumptions that they have determined themselves, based on no JCS information. The DCI stated that these plans should be coordinated with the Joint Planning Group. Mr. Wisner will follow this and determine whether OSO plans cannot be coordinated in the same satisfactory manner as OPC plans.

Mr. Jackson also noted that every division of OSO has a different staff setup. He has referred this matter to General Wyman and Mr. Kirkpatrick.

Mr. Jackson asked about [] The DCI believes that he is committed to us, and Mr. Wolf thinks that he will report for duty in September.

Mr. Wisner had a call from Mr. Kirkpatrick stating that OSO was worried about the Covert Requirements Committee and hoped that too many people would not be cut in on OSO operations.

The Director asked about [] Mr. Wisner said that he would talk to State Department on this subject this afternoon.
